Child Abuse Reporting

The Board of Trustees recognizes that child abuse has severe consequences and that the Coastline Regional Occupational Program has a responsibility to protect students by facilitating the prompt reporting of known and suspected incidents of child abuse. The Superintendent or his/her designee shall establish procedures for the identification and reporting of such incidents in accordance with law.

(cf. 0450 - Comprehensive Safety Plan)

Employees who are mandated reporters, as defined by law and administrative regulation, are obligated to report all known or suspected incidents of child abuse and neglect. Mandated reporters shall not investigate any suspected incidents but rather shall cooperate with agencies responsible for investigating and prosecuting cases of child abuse and neglect.

The Superintendent or his/her designee shall provide training regarding the reporting duties of mandated reporters.

In the event that training is not provided to mandated reporters, the Superintendent or his/her designee shall report to the California Department of Education the reasons that such training is not provided. (Penal Code 11165.7)

administrative officers or supervisors of child attendance; administrators and employees of a licensed day care facility; Head Start teachers; licensed nurses or health care providers; and administrators, presenters, and counselors of a child abuse prevention program. (Penal Code 11165.7)

Reasonable suspicion means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on his/her training and experience, to suspect child abuse or neglect. However, *reasonable suspicion* does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of child abuse or neglect. (Penal Code 11166)

Reportable Offenses

A mandated reporter shall make a report using the procedures provided below whenever, in his/her professional capacity or within the scope of his/her employment, he/she has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. (Penal Code 11166)

Any mandated reporter who has knowledge of or who reasonably suspects that a child is suffering serious emotional damage or is at a substantial risk of suffering serious emotional damage, based on evidence of severe anxiety, depression, withdrawal, or untoward aggressive behavior toward self or others, may make a report to the appropriate agency. (Penal Code 11166.05, 11167)

Any CROP employee who reasonably believes that he/she has observed the commission of a murder, rape, or lewd or lascivious act by use of force, violence, duress, menace, or fear of immediate and unlawful bodily injury against a victim who is a child under age 14 shall notify a peace officer. (Penal Code 152.3, 288)

Responsibility for Reporting

The reporting duties of mandated reporters are individual and cannot be delegated to another person. (Penal Code 11166)

When two or more mandated reporters jointly have knowledge of a known or suspected instance of child abuse or neglect, the report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report. (Penal Code 11166)

No supervisor or administrator shall impede or inhibit a mandated reporter from making a report. (Penal Code 11166)

1. Initial Telephone Report

Immediately or as soon as practicable after knowing or observing suspected child abuse or neglect, a mandated reporter shall make an initial report by telephone to any police department, sheriff's department, county probation department if designated by the county to receive such reports, or county welfare department. (Penal Code 11165.9, 11166)

Orange County Child Protective Services (Sexual abuse or visible injury):

1. For Immediate Response, Call Police

When the initial telephone report is made, the mandated reporter shall note the name of the official contacted, the date and time contacted, and any instructions or advice received.

2. Written Report

Within 36 hours of knowing or observing the information concerning the incident, the mandated reporter shall then prepare and either send, fax, or electronically submit to the appropriate agency a written follow-up report, which includes a completed Department of Justice form (SS 8572). (Penal Code 11166, 11168)

The Department of Justice form may be obtained from the CROP office or other appropriate agencies, such as the county probation or welfare department or the police or sheriff's department.

CHILD ABUSE PREVENTION AND REPORTING (continued)

When so notified, the program administrator shall inform the Superintendent or his/her designee.

The program administrator so notified shall provide the mandated reporter with any assistance necessary to ensure that reporting procedures are carried out in accordance with law, Board policy, and administrative regulation. At the mandated reporter's request, the program administrator may assist in completing and filing the necessary forms.

CHILD ABUSE PREVENTION AND REPORTING (continued)

Reporting the information to an employer, supervisor, program administrator, school counselor, co-worker, or other person shall not be a substitute for making a mandated report to the appropriate agency. (Penal Code 11166)

Victim Interviews by Social Services

Whenever a representative from the Department of Social Services or another government agency investigating suspected child abuse or neglect deems it necessary, a suspected victim may be interviewed during school hours, on school premises, concerning a report of suspected child abuse or neglect that occurred within the child's home or out-of-home care facility. The child shall be given the choice of being interviewed in private or in the presence of any adult school employee or volunteer aide selected by the child. (Penal Code 11174.3)

A staff member or volunteer aide selected by a child may decline to be present at the interview. If the selected person accepts, the program administrator or designee shall inform him/her of the following requirements: (Penal Code 11174.3)

2. The selected person shall not participate in the interview.
3. The selected person shall not discuss the facts or circumstances of the case with the child.
4. The selected person is subject to the confidentiality requirements of the Child Abuse and Neglect Reporting Act, a violation of which is punishable as specified in Penal Code 11167.5.

If a staff member agrees to be present, the interview shall be held at a time during school hours when it does not involve an expense to the school. (Penal Code 11174.3)

Release of Child to Peace Officer

When a child is released to a peace officer and taken into custody as a victim of suspected child abuse or neglect, the Superintendent or his/her designee and/or program administrator shall not notify the parent/guardian, but rather shall provide the peace officer with the address and telephone number of the child's parent/guardian. It is the responsibility of the peace officer or agent to notify the parent/guardian of the situation. (Education Code 48906)

For parents/guardians whose primary language is not English, such procedures shall be in their primary language and, when communicating orally regarding those procedures, an interpreter shall be provided.

To file a complaint against a CROP employee or other person suspected of child abuse or neglect at a school site, parents/guardians may file a report by telephone, in person, or in writing with any appropriate agency identified above under "Reporting Procedures." If a parent/guardian makes a complaint about an employee to any other employee, the employee receiving the information shall notify the parent/guardian of procedures for filing a complaint with the appropriate agency. The employee also is obligated pursuant to Penal Code 11166 to file a report himself/herself using the procedures described above for mandated reporters.

(cf. 1312.1 - Complaints Concerning CROP Employees)

In addition, if the child is enrolled in special education, a separate complaint may be filed with the California Department of Education pursuant to 5 CCR 4650.

(cf. 1312.3 - Uniform Complaint Procedures)

The CROP also shall provide these new employees with a copy of Penal Code 11165.7, 11166, and 11167. (Penal Code 11165.7, 11166.5)

Before beginning employment, any person who will be a mandated reporter by virtue of his/her position shall sign a statement indicating that he/she has knowledge of the reporting obligations under Penal Code 11166 and will comply with those provisions. Any other person making a report shall not incur civil or criminal liability unless it can be proven that he/she knowingly made a false report or made a report with reckless disregard of the truth or falsity of the report. (Penal Code 11172)
2. If a mandated reporter fails to report an incident of known or reasonably suspected child abuse or neglect, he/she may be guilty of a crime punishable by a fine and/or imprisonment. (Penal Code 11166)

QUESTIONING AND APPREHENSION BY LAW ENFORCEMENT

The Board of Trustees believes that the safety of Coastline Regional Occupational Program (CROP) students and staff is essential to achieving the goal of student learning. In accordance with standards specified in law, law enforcement officers may interview and question students on school premises and may remove them when appropriate.

(cf. 0450 - Comprehensive Safety Plan)

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

(cf. 4158/4258/4358 - Employee Security)

(cf. 5141.4 - Child Abuse Prevention and Reporting)

The Superintendent or his/her designee shall collaborate with local law enforcement agencies to establish procedures which enable law enforcement officers to carry out their duties on school campus, including, when necessary, the questioning and/or apprehension of students.

When any law enforcement officer requests an interview with a student, the program administrator or designee shall request the officer's identity, his/her official capacity, and the legal authority under which the interview is to be conducted. The program administrator or designee shall maintain a record of all documentation relative to law enforcement interviews of students.

The program administrator or designee shall accommodate the interview in a way that causes the least possible disruption for the student and school and provides the student appropriate privacy.

At the law enforcement officer's discretion and with the student's approval, the program administrator or designee may be present during the interview.

Except in cases of child abuse or neglect, the program administrator or designee shall attempt to notify the student's parent/guardian as soon as practicable after the law enforcement officer has interviewed the student on school premises.

If a minor student is removed from school into the custody of law enforcement, the program administrator or designee shall immediately notify the parent/guardian or responsible relative regarding the student's release and the place to which he/she is reportedly being taken, except when the minor has been taken into custody as a victim of suspected child abuse. (Education Code 48906)

Subpoenas

Although subpoenas may legally be served at school on students age 12 or older, the Board believes that serving officials should be strongly urged to serve subpoenas at the home of the student whenever possible. When served at school, the program administrator or designee shall take reasonable steps to protect the student's privacy rights and to minimize loss of class time for the student.

FREEDOM OF SPEECH/EXPRESSION

The Board of Trustees believes that free inquiry and exchange of ideas are essential parts of a democratic education. The Board respects students' rights to express ideas and opinions, take stands on issues, and support causes, even when such speech is controversial or unpopular.

(cf. 6144 - Controversial Issues)

On-Campus Expression

Students shall have the right to exercise freedom of speech and of the press including, but not limited to, the use of bulletin boards; the distribution of printed materials or petitions; the wearing of buttons, badges, and other insignia; and the right of expression in official publications. (Education Code 48907)

Student expression on Coastline Regional Occupational Program (CROP) or school Internet web sites and online media shall generally be afforded the same protections as in print media.

(cf. 1113 - CROP and School Web Sites)

(cf. 6163.4 - Student Use of Technology)

Students' freedom of expression shall be limited only as allowed by Education Code 48907, 48950, and other applicable state and federal laws.

Students are prohibited from making any expressions or distributing or posting any materials that are obscene, libelous, or slanderous. Students also are prohibited from making any expressions that so incites students as to create a clear and present danger of the commission of unlawful acts on school premises, the violation of school rules, or substantial disruption of the school's orderly operation. (Education Code 48907)

(cf. 5145.7 - Sexual Harassment)

(cf. 5145.9 - Hate-Motivated Behavior)

The use of "fighting words" or epithets is prohibited in those instances where the speech is abusive and insulting, rather than a communication of ideas, and the speech is used in an abusive manner in a situation that presents an actual danger that it will cause a breach of the peace.

School officials shall not engage in prior restraint of material prepared for official school publications except insofar as the content of the material violates the law. (Education Code 48907)

The Superintendent or his/her designee shall not discipline any high school student solely on the basis of speech or other communication that would be constitutionally protected when engaged in outside of school, but may impose discipline for harassment, threats, or intimidation unless constitutionally protected. (Education Code 48950)

FREEDOM OF SPEECH/EXPRESSION (continued)

(cf. 5137 - Positive School Climate)

(cf. 5144 - Discipline)

Off-Campus Expression

A student shall be subject to discipline for off-campus expression, including expression on off-campus Internet web sites, when such expression poses a threat to the safety of other students, staff, or school property, or substantially disrupts the educational program. The Superintendent or his/her designee shall document the impact the expression had or could be expected to have on the school program.

SEXUAL HARASSMENT

Prohibited sexual harassment includes, but is not limited to, unwelcome sexual advances, unwanted requests for sexual favors, or other unwanted verbal, visual, or physical conduct of a sexual nature made against another person of the same or opposite sex in the educational setting, when made on the basis of sex and under any of the following conditions: (Education Code 212.5; 5 CCR 4916)

1. Submission to the conduct is explicitly or implicitly made a term or condition of a student's academic status or progress
2. Submission to or rejection of the conduct by a student is used as the basis for academic decisions affecting the student
3. The conduct has the purpose or effect of having a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment
4. Submission to or rejection of the conduct by the student is used as the basis for any decision affecting the student regarding benefits and services, honors, programs, or activities available at or through any Coastline Regional Occupational Program (CROP) program or activity

Examples of types of conduct which are prohibited in the CROP and which may constitute sexual harassment include, but are not limited to:

1. Unwelcome leering, sexual flirtations, or propositions
2. Unwelcome sexual slurs, epithets, threats, verbal abuse, derogatory comments, or sexually degrading descriptions
3. Graphic verbal comments about an individual's body or overly personal conversation
4. Sexual jokes, derogatory posters, notes, stories, cartoons, drawings, pictures, obscene gestures, or computer-generated images of a sexual nature
5. Spreading sexual rumors
6. Teasing or sexual remarks about students enrolled in a predominantly single-sex class
7. Massaging, grabbing, fondling, stroking, or brushing the body
8. Touching an individual's body or clothes in a sexual way
9. Impeding or blocking movements or any physical interference with school activities when directed at an individual on the basis of sex
10. Displaying sexually suggestive objects

SEXUAL HARASSMENT (continued)**School-Level Complaint Process/Grievance Procedure**

1. **Notice and Receipt of Complaint:** Any student who believes he/she has been subjected to sexual harassment or who has witnessed sexual harassment may file a complaint with any school employee. Within 24 hours of receiving a complaint, the school employee shall report it to the CROP Coordinator for Nondiscrimination or program administrator. In addition, any school employee who observes any incident of sexual harassment involving a student shall, within 24 hours, report this observation to the Coordinator/ program administrator, whether or not the victim files a complaint.

In any case of sexual harassment involving the Coordinator/program administrator to whom the complaint would ordinarily be made, the employee who receives the student's report or who observes the incident shall instead report to the Superintendent or his/her designee.

2. **Initiation of Investigation:** The Coordinator/program administrator shall initiate an impartial investigation of an allegation of sexual harassment within five school days of receiving notice of the harassing behavior, regardless of whether a formal complaint has been filed. The CROP shall be considered to have "notice" of the need for an investigation upon receipt of information from a student who believes he/she has been subjected to harassment, the student's parent/guardian, an employee who received a complaint from a student, or any employee or student who witnessed the behavior.

If the Coordinator/program administrator receives an anonymous complaint or media report about alleged sexual harassment, he/she shall consider the specificity and reliability of the information, the seriousness of the alleged incident, and whether any individuals can be identified who were subjected to the alleged harassment in determining whether it is reasonable to pursue an investigation.

3. **Initial Interview with Student:** When a student or parent/guardian has complained or provided information about sexual harassment, the Coordinator/program administrator shall describe the CROP's grievance procedure and discuss what actions are being sought by the student in response to the complaint. The student who is complaining shall have an opportunity to describe the incident, identify witnesses who may have relevant information, provide other evidence of the harassment, and put his/her complaint in writing. If the student requests confidentiality, he/she shall be informed that such a request may limit the CROP's ability to investigate.
4. **Investigation Process:** The Coordinator/program administrator shall keep the complaint and allegation confidential, except as necessary to carry out the investigation or take other subsequent necessary action. (5 CCR 4964)

SEXUAL HARASSMENT (continued)

The Coordinator/program administrator shall interview individuals who are relevant to the investigation, including, but not limited to, the student who is complaining, the person accused of harassment, anyone who witnessed the reported harassment, and anyone mentioned as having relevant information. The Coordinator/program administrator may take other steps such as reviewing any records, notes, or statements related to the harassment or visiting the location where the harassment is alleged to have taken place.

When necessary to carry out his/her investigation or to protect student safety, the Coordinator/program administrator also may discuss the complaint with the Superintendent or his/her designee, the parent/guardian of the student who complained, the parent/guardian of the alleged harasser if the alleged harasser is a student, a teacher or staff member whose knowledge of the students involved may help in determining who is telling the truth, law enforcement and/or child protective services, and CROP legal counsel or the risk manager.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

5. **Interim Measures:** The Coordinator/program administrator shall determine whether interim measures are necessary during and pending the results of the investigation, such as placing students in separate classes or transferring a student to a class taught by a different teacher.
6. **Optional Mediation:** In cases of student-to-student harassment, when the student who complained and the alleged harasser so agree, the Coordinator/program administrator may arrange for them to resolve the complaint informally with the help of a counselor, teacher, administrator, or trained mediator. The student who complained shall never be asked to work out the problem directly with the accused person unless such help is provided and both parties agree, and he/she shall be advised of the right to end the informal process at any time.
7. **Factors in Reaching a Determination:** In reaching a decision about the complaint, the Coordinator/program administrator may take into account:
 - a. Statements made by the persons identified above
 - b. The details and consistency of each person's account
 - c. Evidence of how the complaining student reacted to the incident
 - d. Evidence of any past instances of harassment by the alleged harasser
 - e. Evidence of any past harassment complaints that were found to be untrue

SEXUAL HARASSMENT (continued)

To judge the severity of the harassment, the Coordinator/program administrator may take into consideration:

- a. How the misconduct affected one or more students' education
 - b. The type, frequency, and duration of the misconduct
 - c. The identity, age, and sex of the harasser and the student who complained, and the relationship between them
 - d. The number of persons engaged in the harassing conduct and at whom the harassment was directed
 - e. The size of the school, location of the incidents, and context in which they occurred
 - f. Other incidents at the school involving different students
8. **Written Report on Findings and Follow-Up:** No more than 30 days after receiving the complaint, the Coordinator/program administrator shall conclude the investigation and prepare a written report of his/her findings. This timeline may be extended for good cause. If an extension is needed, the Coordinator/program administrator shall notify the student who complained and explain the reasons for the extension.

The report shall include the decision and the reasons for the decision and shall summarize the steps taken during the investigation. If sexual harassment occurred, the report shall also include any corrective actions that have or will be taken to address the harassment and prevent any retaliation or further harassment. This report shall be presented to the student who complained, the person accused, the parents/guardians of the student who complained and the student who was accused, and the Superintendent or his/her designee.

In addition, the Coordinator/program administrator shall ensure that the harassed student and his/her parent/guardian are informed of the procedures for reporting any subsequent problems. The Coordinator/program administrator shall also make follow-up inquiries to see if there have been any new incidents or retaliation and shall keep a record of this information.

Enforcement of CROP Policy

The Superintendent or his/her designee shall take appropriate actions to reinforce the CROP sexual harassment policy. As needed, these actions may include any of the following:

5. Be provided to employees and employee organizations
